

Wodonga Respiratory Clinic

The Respiratory Clinic will assess patients who meet the government criteria for COVID-19 testing.

Patients can be assessed if they have any of the following:

- An upper respiratory tract infection
- Fever
- Sore throat
- Shortness of breath
- Runny nose
- Have travelled overseas
- Been in close contact with a confirmed case of COVID-19
- Require clearance of a COVID-19 diagnosis

Patients must be registered on the Department of Health website BEFORE they arrive for the appointment.

See inside for how to make an appointment online.
